100% Pure, 100% effect. The Speick Pure Deo Stick has a completely unique deodorising principle. In addition to its long-lasting results, it binds and neutralises odours that have already developed and does so without the use of any alcohol or aluminium salts. Fragrances have been deliberately and completely omitted. Skin soothing reed extract and skin cream liquid wax nourish the skin during application. It provides the perfect care for sensitive underarm skin with the unique extract of the high alpine Speick plant.

Application note: Apply Deo Stick gently to the armpit and enjoy long-lasting protection. Also suitable for freshly shaved and sensitive skin.

Packaging: For optimal recycling, separate the sleeve and lid and dispose of them in recycling waste.
