PRODUCT INFORMATION

Speick Natural Aktiv Body Lotion, 150ml

Art.-Nr. 266

Refreshing and intensive moisturising body lotion for all skin types. The optimal portion of extra care to vitalise the skin. Organic aloe vera gel, sugar beet extract and plant glycerine ensure a balanced moisture balance. With antioxidant vitamin E and vitamin F, which can normalise the skin's lipid metabolism. The body lotion is quickly absorbed, the skin immediately noticeably revives and is enveloped in a fresh scent. Each Speick product contains the unique extract of the high alpine Speick plant from biologically regulated wild harvesting (kbW).

Application note: Gently massage into the skin and enjoy the refreshing, fragrant, soothing care.

Packaging: Made from renewable raw materials. Tube made of 88% BIO PE, cap made of PP. Compared to "normal" PE, BIO PE causes less CO2 emissions during its production. For optimal recycling, separate tube and cap and dispose of in recycling waste.

Certified Natural Cosmetics (COSMOS): Free from synthetic fragrances and colours, silicones, parabens and mineral oils. 99.99% natural origin of total. Gluten- and lactose-free. Dermatologically and allergologically tested.
