Rich yet mild soap for the whole body, made from pure plant oils. A high percentage of plant-based moisturising cream makes the soap especially gentle on the skin and provides soft and supple nourishment. Pure essential oils such as lemon and orange, as well as litsea cubeba oil from the fruit of the laurel tree pamper with an aromatic experience for the senses. An inspiring fragrance blend that promotes well-being and concentration, and energises and invigorates. Even in cold or lukewarm water the soap lathers creamy and fine. Crafted according to Speick Naturkosmetik's traditional soap recipe with high-quality palm, coconut and olive oil.
