Bionatur Soap Bar In Balance, 100g

Art.-Nr. 462

Rich yet mild soap for the whole body, made from pure plant oils. A high percentage of plant-based moisturising cream makes the soap especially gentle on the skin and provides soft and supple nourishment. Pure essential oils such as orange, patchouli, curled mint and galbanum pamper with an aromatic experience for the senses. An inspiring fragrance blend that promotes well-being, harmonises body and soul, and calms and balances. Even in cold or lukewarm water the soap lathers creamy and fine. Crafted according to Speick Naturkosmetik's traditional soap recipe with high-quality palm, coconut and olive oil.

Application note: Lather soap in cold or lukewarm water and enjoy the fine fragrant, rich and creamy foam. Suitable for the whole body.
