Bionatur Soap Bar Hair + Body Blood Orange, 125g

Art.-Nr. 600

Mild cleansing hair and body soap made from pure plant oils, refined with orange oil and an inspiring fine fruity fragrance composition of pure essential oils for a refreshing and sensual fragrance experience. The plant-based moisturising cream makes the soap especially gentle on the skin and provides soft and supple nourishment. Wheat proteins nourish the hair and make it easier to comb. Crafted according to Speick Naturkosmetik's traditional soap recipe with high-quality palm, coconut and olive oil. Even in cold or lukewarm water the soap lathers creamy and fine.

Application note: 1. Lightly lather the soap by hand and rub the lather into the wet hair. Then rinse the hair thoroughly. Recommendation: Do not rub the entire soap bar over the hair, but only work the lather into the hair with your hands. 2. Repeat the washing process: In the first wash cycle, the dirt and dust particles are absorbed and removed, in the second wash cycle, the hair is then thoroughly deep cleaned. During the second wash, the soap in the hair usually also foams much more. 3. Then rinse with an acidic rinse (1 tablespoon of vinegar to 800 ml of water) to smooth the hair and rinse off any lime soap deposits. It is not necessary to use the entire 800 ml for rinsing - depending on the length of the hair and personal feeling. No further water is needed for rinsing. Alternatively, a conditioner can be used, for example the Speick Natural Aktiv Hair Conditioner.

Packaging: Unpackaged soaps in open FSC-certified paper display, printed with environmentally friendly colours. 6 units per display. For optimal recycling, dispose of display in waste paper.

Certified Natural Cosmetics (COSMOS): Free from mineral oils. Gluten- and lactose-free. Basic care. Dermatologically and allergologically tested. With RSPO certified palm oil from sustainable cultivation. Readily biologically degradable according to OECD-criteria.
