PRODUCT INFORMATION

Speick Natural Aktiv Shampoo Balance & Freshness, 200ml

Art.-Nr. 122

Shampoo for oily hair. Mild tensides cleanse gently and thoroughly. Selected plant-based active and moisturising ingredients gently normalise oil production and provide dynamic volume from the roots to the tips: With nettle extract to regulate the sebaceous gland activity against fast regreasing. To protect against dehydration and for more radiance, the formulation contains moisturising sugar beet extract and wheat proteins. Fair trade organic argan oil from Moroccan argan trees supports the shine of the hair. A blend of essential oils gives hair a pleasant fragrance. With the unique extract of the high-alpine Speick plant from biologically regulated wild harvesting (kbW).

Application note: Massage a small amount of shampoo into damp hair from the roots to the tips. Allow to work briefly and rinse thoroughly. For optimum hair care, follow with Speick Natural Aktiv Hair Conditioner. The shampoo is suitable for every day use.

Packaging: Tube made of 90% Bio PE, cap made of PE. Separate the tube from the cap and dispose of in the recycling waste.
