

Product Information

Speick Men Shaving Cream 75 ml

A classic, natural shaving cream that pampers your skin with smoothing, plant-based ingredients and essential oils. Premium lavender oil has a relaxing effect.

Speick Men shaving cream contains real beeswax and has a spicy fragrance for an indulgent shaving experience. The fine, rich foam ensures a gentle and nourishing shave and is very economical. A little bit goes a long way.

Each Speick product contains the harmonising extract of the high alpine Speick plant, certified as controlled biological wild harvesting (kbW).

Speick Men: 100% free from colours, preservatives and mineral oil-based ingredients. Gluten- and lactose-free. Dermatologically and allergologically tested.

Shaving cream solidifies at peak summer temperatures of over 30°C / 86°F. Cooled down briefly, it regains its fluidity without any loss of quality.
