Product Information

Speick Men Active Shaving Cream (Certified Natural Cosmetics, COSMOS NATURAL), 75 ml

Naturally creamy foam . For a gentle shave

Relaxes the skin for a closer shave. Made of real soap with soothing, reed extract and additional plant-based ingredients, this shaving cream lathers wonderfully, allowing the razor blade to glide smoothly over the skin.

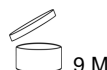

Each Speick product contains the harmonising extract of the high alpine Speick plant from biologically regulated wild harvesting (kbW).

Certified natural cosmetics (COSMOS): 100% free from synthetic fragrances and colours, preservatives, silicones, parabens and mineral oil-based ingredients. Vegan. Gluten- and lactose-free. Basic Care. Dermatologically and allergologically tested.

Application: Wet the face and shaving brush, dot the shaving cream onto the skin and use the brush to work it into a creamy lather. The shaving cream solidifies at temperatures above 30°C. Simply cool for a short period to restore its fluidity without any loss of quality.
