

Product Information

Speick Thermal Sensitiv Night Cream (Certified Natural Cosmetics, COSMOS NATURAL), 50 ml

Regulating night cream with the benefits of the thermal water from the Schlangenbad spa mineral springs. Taken directly from the source. The cream has a soft texture. The highly active ingredient composition contains

- concentrated algae extracts to regulate the skin balance
- moisturising, organic aloe vera gel
- nourishing, organic shea butter
- protective, organic camellia oil

The rich, nourishing cream regulates the skin overnight and leaves it feeling wonderful. Also ideal as rich day cream. With preventive, natural sun protection.

Each Speick product contains the harmonising extract of the high alpine Speick plant from biologically regulated wild harvesting (kbW).

Certified Natural Cosmetics (COSMOS): 100% free from artificial fragrances, colours and preservatives, mineral oil-based ingredients, silicones and parabens. Gluten- and lactose-free. Vegan. Dermatologically and allergologically tested.
