Product Information

Speick SUN After Sun Lotion (Certified Natural Cosmetics, COSMOS NATURAL), 200 ml (6.8 FL.OZ.)

Refreshing and intensively moisturising after sun lotion for all skin types. The perfect dose of extra care to regenerate sun-stressed skin. The effective active complex with an extra high content of organic aloe vera gel from biologically regulated cultivation (80%), sugar beet extract and vegetable glycerine preserves the skin's moisture balance. With vitamin E and skin-protecting ectoine with a repairing effect. Noticeably alleviates feelings of tightness. The lightly cooling cream fluid is easy to apply and is quickly absorbed with no stickiness. The composition of natural extracts such as apricot, apple and vanilla gives the after sun lotion a pleasantly natural scent. With the harmonising extract of the high alpine Speick plant (kbW). Suitable for all skin types. Vegan.

Certified Natural Cosmetics (COSMOS): 100% free from artificial fragrances, colours and preservatives, mineral oils. Gluten- and lactose-free. Dermatologically and allergologically tested.
