

## Product Information

### Speick Natural Aktiv Hair Conditioner (BDIH-approved natural cosmetic)

#### Intensive Repair Balsam

**For optimum after-shampoo care.** Black oat and sugar beet extracts penetrate deep into the hair, moisturising and nourishing it with essential nutrients. The hair is strengthened for long-lasting improved structure. Enriched with the harmonising extract of the high-alpine Speick plant from biologically regulated wild harvesting and precious fair trade argan oil from the Moroccan argan tree to improve combability and make hair noticeably soft and supple. Use: Allow to work for at least 3 minutes after shampooing and rinse briefly. Leave conditioner in for an intensive treatment.

Contains only natural preservatives in accordance with BDIH approved natural cosmetics guidelines. No artificial fragrances and colours, pH-neutral, vegan.

Speick Natural Active conditioner and shampoos contain perfectly balanced and complementary active and moisturising ingredients, together providing highly effective hair care.
