

## Product Information

### Speick Men Shaving Cream

For a shave that's gentle on the skin

A classic, natural shaving cream that pampers your skin with smoothing, plant-based ingredients and essential oils. Premium lavender oil has a relaxing effect.

Speick Men shaving cream contains real beeswax and has a spicy fragrance for an indulgent shaving experience. The fine, rich foam ensures a gentle and nourishing shave and is very economical. A little bit goes a long way. Each Speick product contains the harmonising extract of the high alpine Speick plant, certified as controlled biological wild harvesting (kbW).

Free from preservatives and mineral oil-based ingredients. Dermatologically and allergologically tested.

*Shaving cream solidifies at temperatures of over 30° C.  
Cool for a short period to regain softness without any loss of quality.*
