

## Product Information

### Speick Natural Face Intensive Care Cleansing Foam (Certified Natural Cosmetics, BDIH)

#### Protects cell membranes + energises, + Q10

Normal and Combination Skin.

Moisturising, invigorating foam facial cleanser with Q10. Cleanses pore-deep while gently conditioning the skin without drying it out. The foam revitalises the skin and optimally prepares it for the application of Speick Natural Face Intensive Care Creams. Contains soothing aloe vera and nourishing sugar beet extract.

Each Speick product contains the harmonising extract of the high alpine Speick plant from biologically regulated wild harvesting (kbW).

100% free from artificial fragrances colours and preservatives, mineral oil-based ingredients, silicones and parabens. Gluten- and lactose-free. Vegan. Dermatologically and allergologically tested.

*Tip: Apply to the wet face mornings and evenings and rinse off with lukewarm water.*
