

Product Information

Speick Thermal Sensitiv Body Lotion (Certified Natural Cosmetics, BDIH), 150 ml

Pampering body lotion with the benefits of the thermal water from the Schlangenbad spa mineral springs. Taken directly from the source. The lotion has a velvety texture. The highly active ingredient composition contains:

- concentrated algae extracts to regulate the skin balance
- moisturising, organic aloe vera gel
- nourishing, organic shea butter
- protective, organic camellia oil

The lotion is quickly absorbed. The skin is instantly, noticeably revived and is enveloped in a fine fragrance. With preventive, natural sun protection. Each Speick product contains the harmonising extract of the high alpine Speick plant from biologically regulated wild harvesting (kbW).

100% free from synthetic fragrances, colours and preservatives, silicones, parabens and mineral oil-based ingredients. Vegan. Dermatologically and allergologically tested.
