

Product Information

Speick Thermal Sensitiv Day Cream (Certified Natural Cosmetics, BDIH), 50 ml

Protecting day cream with the benefits of the thermal water from the Schlangenbad spa mineral springs. Taken directly from the source. The cream has a soft texture. The highly active ingredient composition contains:

- concentrated algae extracts to regulate the skin balance
- moisturising, organic aloe vera gel
- nourishing, organic shea butter
- protective, organic camellia oil

The delicately fragrant cream feels fresh all day long, refines the complexion and has a matte finish. With preventive, natural sun protection. Each Speick product contains the harmonising extract of the high alpine Speick plant from biologically regulated wild harvesting (kbW).

100% free from artificial fragrances, colours and preservatives, mineral oil-based ingredients, silicones and parabens. Vegan. Dermatologically and allergologically tested.
