

Product Information

Speick Thermal Sensitiv Tonic (Certified Natural Cosmetics, BDIH), 75 ml

Cleansing facial tonic with the benefits of the thermal water from the Schlangenbad spa mineral springs. Taken directly from the source. The highly active ingredient composition contains:

- concentrated algae extracts to regulate the skin balance
- soothing, organic witch hazel
- hydrating plant-based glycerine
- skin-protecting sugar beet extract

The delicately fragrant tonic thoroughly cleans, tones and invigorates the skin. It also moisturises and optimally prepares the skin for complementary care products. Each Speick product contains the harmonising extract of the high alpine Speick plant from biologically regulated wild harvesting (kbW).

100% free from artificial fragrances, colours and preservatives, mineral oil-based ingredients, silicones and parabens. Vegan. Dermatologically and allergologically tested.
