Product Information

Speick Thermal Sensitiv Tinted Day Cream, Dark beige (Certified Natural Cosmetics, COSMOS Natural), 50 ml

Tinted day cream with natural mineral pigments for an even, natural complexion and with the benefits of the siliceous thermal water from the Schlangenbad spa mineral springs. Oat extract makes it smooth to apply and gives it a matte finish. With preventative natural sun protection. The basic cream has a soft texture. The highly active ingredient composition contains

- concentrated algae extracts to regulate the skin balance
- moisturising, skin-soothing, organic aloe vera gel

Each Speick product contains the harmonising extract of the high alpine Speick plant from biologically regulated wild harvesting (kbW).

Certified Natural Cosmetics (COSMOS): 100% free from artificial fragrances, colours and preservatives, mineral oil-based ingredients, silicones and parabens. Gluten- and lactose-free. 100% natural origin of total. Dermatologically and allergologically tested.
