

Product Information

Original Doctor's Liquid Soap

Gentle cleansing wash, specially developed for sensitive skin.

Dermatologically and allergologically tested. Does not contain any animal-derived ingredients.

A mild, plant-based liquid soap with hydrating glycerine, a high percentage of moisturising of wax cream and a special lactic acid ester that cleanses and cares for stressed and sensitive skin. The gentle formula locks in moisture as you wash to provide optimal protection against drying out and supports the skin's own hydro-lipid coat. Provitamin B5 has a soothing and regenerative effect, leaving hands soft and smooth . even when washed frequently.

A blend of aromatic essential oils promotes wellbeing and provides a pleasantly fresh, invigorating fragrance. Vegan.
