Happiness is a bar of soap: luxurious soap bunnies for Easter

Pure plant oil soap bunnies, light brown or natural (Certified Natural Cosmetics, BDIH)

Made of pure plant oils – mild and nurturing

These pure plant oil soap bunnies are crafted from pure, high-quality palm, coconut oil and olive oil in the time-honoured soap boiling tradition. They are especially gentle on the skin and produce a rich, creamy foam, even in cold or lukewarm water. They provide the skin with soft and supple nourishment.

The soaps contain a nourishing wax cream, herbal additives and a fragrant blend of pure essential oils.

100% free from artificial fragrances, colours and preservatives and mineral oil-based ingredients.
