Pure Plant Oil Soap Angels, (Certified Natural Cosmetics, BDIH)

Made of pure plant oils - mild and nurturing

These pure plant oil soap stars and soap angels are crafted from pure, high-quality palm, coconut oil and olive oil (not distilled fatty acids) in the time-honoured soap boiling tradition. They do not contain any animal fats. They are especially gentle on the skin and produce a rich, creamy foam, even in cold or lukewarm water. They provide the skin with soft and supple nourishment.

The soaps contain a nourishing wax cream, herbal additives and a fragrant blend of essential oils.

100% free from artificial fragrances, colours and preservatives, mineral oil-based ingredients. Vegan.
